

If you will need a student visa to attend IUPUI, you must meet IUPUI’s financial documentation requirements to receive a **Certificate of Eligibility (I-20 for the F-1 or DS-2019 for the J-1)** and apply for your visa. U.S. immigration regulations require that you demonstrate that you have sufficient funds to cover your living and educational expenses for study on a full-time basis. The estimated amounts include funding needed to cover your living expenses and mandatory health insurance for 9 months, but not the cost of travel to Indianapolis or optional summer tuition. These amounts are reviewed annually and are subject to change. For up-to-date estimated expenses, visit our web site at <http://www.iupui.edu/international/apply/expenses.pdf>.

To receive an I-20 or DS-2019, you must document sufficient funds are available to cover all estimated expenses for one academic year (9 months), along with a funding plan for the remainder of your intended study. You are not required to have the total amount in cash immediately available to cover this entire period, but you must be able to demonstrate that you have enough readily available funds to meet all expenses for the first year. You must also provide an explanation of your plan for funding the remainder of your study from the same source or document funding availability from other reliable financial source(s). This is the same standard that U.S. visa officers will use to determine your financial ability during your visa interview.

How to Document Your Funding

Read both sides of this form along with the *Financial Information for Graduate and Professional International Students*, complete the *Financial Support Agreement* on the other side and attach documentation of funds, as follows:

1. Bank statements or letters (from financial institutions where the sponsor holds an account) must show the actual amount of currency available. To qualify for I-20 issuance, this amount must be equal to or greater than the **total cost based on 9 months** listed for your program.
2. Your sponsor(s) must complete the “**Financial Support Agreement**” on the reverse (page 2) of this form.
3. Documents must be dated within one year of the start of your first term at IUPUI.
4. Documents must be in English; translations must be verified by an appropriate bank or government official.
5. If your spouse or child(ren) will accompany you using a dependent visa status, add their estimated expenses to the Total Cost to determine the total amount of funding that you must document (see “**DEPENDENTS**” below).

The Office of International Affairs reserves the right to request additional documentation of funding.

Funding from a sponsor other than yourself (Family, Friends and/or Organization Funds):
 All financial sponsors must complete the Financial Support Agreement on the reverse (page 2) of this form or provide an equivalent formal statement of sponsorship. Total sponsor support should cover the entire duration of your studies at IUPUI: at least **two years for a master’s degree** or **six years for a doctoral degree**.

Sponsor (Family or Friend): Each sponsor must provide evidence of sufficient funds for at least the first year of your study, plus verification of income as evidence of sufficient funding to cover the remaining year(s) of promised support.

Sponsor (Organization): A promise of sponsorship can be stated on the sponsoring organization’s letterhead. The statement should include the duration of sponsorship including the guaranteed dollar amount for a specified period of years or for the duration of study. Alternatively, the statement can specify the specific type of support provided (i.e. Housing).

Funding from your personal finances (Self-funding):
 As the applicant, you must complete the Financial Support Agreement on the reverse (page 2) of this form. If providing **bank statements that are in your own name only**, you must show:

- funds on deposit to cover “Total Cost” for the first year of study

AND

- a reasonable plan for how you will fund the duration of your studies beyond the first year. For example, you may submit a letter from an employer or other sponsor that promises funding for your remaining study. Sponsor support agreements to cover funding shortfalls must meet the guidelines described in the box to the left.
