

**INDIANA UNIVERSITY SCHOOL OF LAW – INDIANAPOLIS
INCOMING STUDENT TRANSFER OF CREDIT POLICY**

Criteria for Approving the Transfer of Credit Hours

Prior to registration, a student admitted with advanced standing must consult with the law school's Assistant Dean for Student Affairs regarding credits to be transferred. IU-Indianapolis accepts transfer credits earned at an ABA-approved law school only. The number of credits transferred depends on the quality of the student's academic record and the relationship of the coursework to the program at IU-Indianapolis. A maximum of 31 hours of course credit may be transferred. Within the transfer credit maximum, no more than 6 of the 31 credits may be earned from non-IU-Indianapolis foreign study abroad programs. (See Section J-(4) of the Student Handbook "Limits on Credits Earned in Programs Abroad" for more details.). Grades from transferred course credit will not be used to compute the student's cumulative grade point average at the IU-Indianapolis. Only courses in which the student received a grade of "C" or above are eligible for transfer (a grade of "B" or above is required for students from an LL.M program). Courses taken on a pass/fail basis generally will not transfer. However, if the applicant can show that the pass/fail course is equivalent to a "C" or above, credit will be considered. If credit is not given and the courses are required for graduation, the courses must be re-taken at IU-Indianapolis. The student must maintain a grade point average of at least 2.3 or be subject to academic exclusion at the end of the first semester in which the student's cumulative grade point average falls below 2.3.

Once an official transcript has been evaluated by the Assistant Dean for Student Affairs, the courses which have been accepted for transfer along with the number of hours for each are listed on an Audit Sheet for Transfer of Credit Courses. Note that only credits, not grades, transfer. The maximum number which may transfer to this school is 31 (only 12, if from a LL.M Program) credit hours. If a student has deficiency of more than one (1) credit hour in a required course, that deficiency is noted on the audit sheet along with courses which may be taken to satisfy that requirement. Unless otherwise noted, any deficiency of more than one (1) credit hour may be satisfied by taking any course(s) listed on the audit sheet as satisfying that deficiency, so long as the credit hours for the course(s) equal or exceed the credit hours of deficiency. Only in extraordinary circumstance will the Assistant Dean for Student Affairs waive more than a one (1) credit deficiency. This waiver shall not reduce the total credit hours required for graduation.
